## **Summer Bible Reading for Kids**

Summer will be here before we know it!! It's time for a break for teachers, parents and the students! But, when it comes to Bible Study we are never really on "break". Summertime provides many opportunities for our children to learn more about the Bible, such as Vacation Bible School (VBS). But what about individual study or family devotions? There are many sites and fun studies online. You can also find devotional books at your local Christian bookstore. How about picking a verse for the family to memorize each week? Keep a chart and see what everyone can learn over a summer. Or perhaps study a book of the Bible as a family. Make this summer one that is FUN, restful and God-honoring by studying more about Him and His Word.
