"For we are saved in this hope; but hope that is seen is not hope; for why does one still hope for what he sees? But, if we hope for what we do not see, we eagerly wait for it with perseverance."

Romans 8:24-25

Tell us what you think!

Around the first of April KBJs began airing two new programs which we hope you are enjoying. In our spring mail-out we announced the start of the 90 minute version of "Timeless Words and Music" heard Saturday nights from 10:30 to midnight and Sunday nights from 7:30 to 9:00. Previously, "Timeless Words and Music" had been an hour long broadcast. The other new program that started airing the first of April was the lunch hour program "Music and the Word" which airs from 12:49 pm to 1:06 pm each weekday afternoon. "Music and the Word" is basically a shortened and slightly more contemporary version of the weekend program "Timeless Words and Music".

Now that the programs have been on the air more than a month we would like to know what you think about them. Do you enjoy the 90 minute version of "Timeless Words and Music" each Saturday and Sunday night? Also, what about the daily noon hour program "Music and The Word"? Be honest with us. What do you like or dislike about each program? How do you feel about the style of music you hear on the broadcasts? What about the Scripture readings? Should we continue these musically based broadcasts or should they be replaced with more of the teaching and preaching ministries KJBS has become known for over the past 30-plus years?

We come to you asking these questions because our overall goal at KBJs is to serve the Lord by effectively ministering to our listeners. We honestly want to know how you feel about "Timeless Words and Music and Music and The Word". When you use the enclosed envelope to send your financial gift (as the Lord leads), please send your comments regarding these two programs.

After all, the only sure way to know what listeners like or dislike is for you to tell us! So please let us know your thoughts. We covet your prayers and opinions. Your opinion does count at KBJs!
